“ *My deepest sympathy to Al 's family and friends. As I was reading about Al's life I felt compelled to tell you how sorry I am for the many losses your family has suffered. It is my hope that you can be comforted knowing of the many promises God holds out for us . We have the resurrection promise (John 5:28,29) as well as the prospect of a wonderful future with those we've lost. A future free from pain, suffering and death, all the things that make life so difficult today. (Revelation 21:4) It is my hope that you search the scriptures to find more comfort, peace and understanding . All the best wishes for your family at this time. I am truly sorry for your loss.*
