“ My deepest sympathy to Al’s family and friends. May you find comfort in the promise at Revelation 21:4 where it says “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning, nor outcry nor pain be anymore. The former things have passed away.” I am truly sorry for your loss.

“ I have known Al since 1965 when he worked at the Shell station and I worked at the Texaco across the street on Iowa. Years later I would work with him at Northside Texaco at the corner of James and Alabama. Al Macapulay was one of the nicest, friendliest, hardest working people I’ve ever met. I don’t think I ever saw him when he wasn’t smiling. Al was a remarkable human being and the most conscientious automobile servicer to many thousands of motorists from all over Bellingham and Whatcom County. who would only trust their car to him. It was a distinct pleasure to know, and work along side of Al. Such an amazingly decent, honest human being! I am certain by now he already has St Peter’s entire fleet, all serviced and on a regular maintenance schedule.

“ *Betty, Shelly and Melissa,  
Al meant a lot to me. I played in the Salvation Army band with him  
for many years. I also remember him playing his guitar in Sunday  
School before we went to our classes. He always had a kind word  
and was always smiling.  
I am so glad that I saw him not too long ago at the Bellingham  
Corps and had a nice conversation with him. He really did not  
change at all.....he was just the same as I remembered.  
May God be with you through this tough time.*
