

Albin Douglas Larson

November 11, 1930 - September 2, 2014

Mukilteo, WA

Tuesday morning, we said goodbye to a loving husband, father, grandfather, brother and friend.

Doug Larson was born to Waldemar and Tillie Larson in Point Whitehorn, Washington on November 11, 1930. He worked hard on the family dairy farm from a young age.

Doug married his high school sweetheart, Jeanette Aursness, November 25, 1950. Shortly after, he built their first home. The Larson family later moved to Everett in 1961 so he could work as an industrial insulator.

Doug is survived by his wife of 63 years, Jeanette, brother, Bob (Jean), sons, Jim (Sheri) and Greg (Carrie), 6 grandsons, Michael (Kaylee), David

(Misty), Chad (Samantha), Kyle, Scott and Drew and 4 great grandchildren.

He was preceded in death by his parents, brothers Lawrence, Walter and Leo and sister Gloria, son Jeffrey and daughter Janelle.

Always an avid sports fan, he played football, basketball & baseball at Blaine High School before graduating in 1949. He loved to fish, hunt, play cards and will always be remembered for his great sense of humor. Doug also enjoyed maintaining a pristine home and yard. One of his favorite pastimes however, was watching his sons and grandsons play sports, just as he did in his younger years.
