

## Alfonso Felix Feliciano

October 16, 2022 - August 10, 2023

Alfonso Felix Feliciano was born to parents Justeena Lawrence and Darius Feliciano in Bellingham WA, on October, 16th, 2022. He passed away at only 9 months old on August 10th, 2023.

His parents will remember waking up together as a family and seeing Alfonso's smile with his curly hair sticking up all over; his dad teased that he looked like he had Einstein hair. They also fondly remember playing at the beach together as a family. Alfonso's smile was the best.

Alfonso loved to eat and would pull on his curls while crying for more food, even though he had food already in his mouth! He loved to listen to hip hop and rap with his mom, dad, and brother. He also loved to play with, and pick on, his big brother MacDre.

Alfonso was too small for school, but he learned from his parents and big brother. He loved to grab his moms face & glasses when she cuddled him and his dada.

Alfonso was loving, adventurous, playful, sweet, happy, excited, cuddly, and simply put, awesome.

Alfonso leaves behind his loving parents, Justeena and Darius, his big sister

Serenity, and big brother Darius Jr., and big brother MacDre. He will also be missed by his Great-Grandma Vicky Jefferson, Grandma Leilani Feliciano, Grandpa Alfonso Felix(AKA Fudd), Grandpa Mario Gaona, and Grandparents Jimmy and Laatis Lawrence.

He is pre-deceased by his Grandma Shannon Jefferson, Great-Grandpa Vincent Feliciano, Great-Great-Grandparents James and Sally Jefferson and his Great-Uncle James Jefferson Jr.

Alfonso had the best and the biggest smile. He was the happiest and most content baby. Alfonso loved everyone who held him, and he brought a bright light into everyone's life. He will be so dearly missed, and so fondly remembered.

A service will be held for Alfonso on August 17th, starting with a family visitation at 9am at Moles funeral home in Ferndale, with a procession leaving at 9:30am to Wexliem for a service at 10am. After the service he will be buried at Lummi Cemetery.

“ I am sending prayers to all of you today because today is going to be really hard...Lord (Creator) I am asking you to wrap this family up in your arms and show them that they don't have to be sad because you called your baby angel home and now his job is to watch over them. Lord, wrap those healing powers around his parents right now so that they can heal and function because they have other children that need them. Lord, we pray that you will draw near to these parents who are grieving the loss of their baby boy Alfonso. Thank you that you are close to them during this time and that you will never abandon them even during the toughest and most tearful days. When they have days where they feel numb and unsure, please lift them up with your strength. I ask these things in your name Creator.....and we all say AMEN.
