“ Grandma I love and miss you, but I know you are looking down and checking in on all of us. I will cherish all the great childhood memories that I have being at you and grandpa's house, as well as my many long distance phone calls that we had.

“ Barry and Family,
Your mom was a wonderful person. I really enjoyed talking to her and her smile. I am glad I got to see her and visit with her last summer. I will miss buying fish from her.
