

## Andrew Benson George

May 10, 2021 - December 7, 2021

Andrew Benson George was born May 10, 1957, to Daniel George and Evelyn Victor in Bellingham, Washington. He was a family man who enjoyed helping where it was needed. Whether it be fixing your car or on the water fishing to make a few bucks to drive the family to church. He was a hardworking, but also a gentle man who never judged or spoke bad about anyone. If you needed help, he was there regardless. He would often check on loved ones to be sure they were taken care of. One thing that made special occasions even more fun was that Andrew was born on his sister Arlene's birthday. A memory that is treasured so deeply is of the trip that Andrew took with his family to church in California. They stopped at beaches where he just liked to sit and watch the waves while the children played. Andrew's constant rounds of checking on family and helping will be missed by all who knew him.

Andrew was survived by his sisters Arlene George, Brenda Solomon, Myra George; brother Michael George. Numerous aunts, uncles, nieces, nephews, and cousins.

Andrew is preceded in death by his parents Daniel George and Evelyn Victor, grandparents Fred and Saraphine Victor and John and Josephine George; siblings Leroy George, Margaret George, Kenneth George, Melinda George, Marcia George, Phillip George, Tracy George and Arnold George.

There will be a prayer service held on Monday, December 13,2021 at 6pm and a funeral service held on Tuesday, December 14,2021 at 10am. Both services will be held at the Wexliem Building.
