“ My Tio was the kindest, most gental man. Him and my Tia raised good-hearted men. He was always so kind with me always open the door for me and always made me feel that if I ever needed anything I could go to him. The way he loved his wife is something to be admired. Their relationship as a family towards each other, is beautiful Unity togetherness comfort in each other being there for each other helping each other loving each other the most beautiful things in this life and they had that. I pray my tia is strong enough to endure the rest of her life without her best friend, my Tio always make sure she was smiling, and I know the boys will do their best as I will too I love you guys so very much I'm sorry you're hurting God is good and we will get to see each other again in heaven I love you guys so much I love my Tio so much gracias Tio por siempre ser tan lindo con migo un corazon tan grande y preciosa Te querro mucho Tio, Tia primos, you definitely had a one-of-a-kind Daddy one anybody would love to enjoy, thanks for sharing him I love you guys God bless
