“ I love you so much Grandma, you are the one who taught me about the art of hospitality, truly a gift you left me. Thank you for always cutting the apples up for me and for the endless Toasted Snow Squares.

“ Dear family,I am very sorry to hear of your loss. May the “God of all comfort ” comfort you at this time (2Cor 1:3).
And the Bible tells us God is the hearer of prayer. Psalms 65:2.
So may this help you during stressful times.
A caring friend
