

Azarah Ela Rose Briones

June 20, 2020 - August 7, 2020

Azarah was born on June 20, 2020 in Bellingham. She passed away unexpectedly and tragically due to SIDS on August 7, 2020. Even though she was only with us for a short time, her little life was filled with so much love.

She was happiest when she was being cuddled by her mommy and daddy, her big brother, her two big sisters, and her Nana and Papa. She loved being in her swing, bath time, car rides, being sang to and listening to music, her blankets and her special Stuffy that played "Twinkle Twinkle Little Star". Our precious baby girl had big, beautiful brown eyes, an adorable smile, and was absolutely perfect in every way. She is our Angel Baby and will be forever loved and missed.

She is survived by her mommy and daddy, Nicole and Roberto Briones IV; sisters, Malayah and Insley; brother, Roberto V; Nana, Brenda Nicolaas; grandpa, Nelson Parker; grandma, Tammy Briones; Papa, Roberto Briones III; and everyone else who was lucky enough to hold her.

She was predeceased by her great grandparents, Miles Parker, Harry Nicolaas, Jane Solver, and Janet Heaton; great-great-grandparents, Roberto Briones Sr. and Rosedara Wistoski; cousins, Taylah Tucker, MaKaylah Nicolaas and Adam Leopoldo Loren; and great uncles, Henry Nicolaas Jr., Floyd Briones, Mitch Briones, Mario Briones, and Elmer Nicolaas.

There will be a celebration of Azarah's life at the family home, 8835 Oertel Rd. Blaine, WA 98230, on September 5th, 2020 at 3:00PM.
