“ I have a Stamp book with the name of Gary and Barbara Thompson, with the address 8725 Canterbury lane #1, Newport Michigan. (Golden Replicas of United States.) I was searching on-line to locate them to see if they would like to have this book. I don't know where it came from, possibly my cousin who passed away a few years ago and he lived close to Newport (Brownstown, Mi.) I do not want anything for this book, they are selling on eBay for \$20 to \$50, not really worth anything. I'm so sorry for your loss and I thought the family might like their book. I can be contacted at wayne bellamy@gmail.com.
