“ *Bruce and Family,
I am so sorry to hear about your mom’s passing, Bruce. I know it is part of life, but it’s still hard. We were lucky to have such good parents who gave us a solid foundation on which to build our own lives. You will be in my thoughts and I know I speak for all my boys too when I tell you that you and your sons will be in our thoughts. We have good memories! Patty Allen*
