“ To Jeff and Greg and all Beverly’s family, I want to wish peace and comfort through the Lord in your time of grief. Though our loved ones go to a better place, we will miss them. Bev was a fun loving person and had a gift of gab that warmed ones heart. She was a good sister-in-law and a good friend and classmate. I will miss her.

“ I have such fond memories of Bev and her sons. They were our neighbors on Portal Way in Ferndale. What I loved most about Bev was her sense of humor. She always kept us laughing — such a big personality and heart. She also was unafraid to experiment with parenting techniques. I remember my mom made my brother and me (as punishment) hug each other on the front porch so that passing cars could see. That was our punishment because Bev had made her sons do it, and it apparently worked. Looking back, it was genius on her part. To Greg and Jeff, so sorry for your mother’s passing. What a blessing she was to so many.
