“ Billie was my Mother's best friend. My Mother, Gayle Notenboom loved her dearly. She admired Billie's generosity and straight forwardness. I am so glad that Mom had Billie in her life. Although my Mom has been gone 9 years, I still remember her telling me about the adventures that they had together.

“ Consider me fortunate to have had Billie for an aunt. From my earliest memory, she was always there with a smile and a laugh and always a warm greeting. From taking care of me some summers when I was a child, to insisting on regular family reunions, she was always present. She will be will in my thoughts always. Warm regards to Dale and Pam, Sherrie and Phil, and Linda and Steve as well as the grandchildren and great grandchildren.

“ Billie and Howard were very close friends of my parents for over 50 years. The 4 of them took many trips together over the years. Long after the Hoksbergen’s moved to Lacy and mom and dad could no longer get around due to failing health they would still talk about the vacations, memories and friendship they had with Howard and Billie. We’re all to familiar on how it feels to lose a loved one. Our deepest sympathy toward your family. The Stewart’s
