“ I’m not sure where to begin, my heart is deeply saddened by the loss of such a sweet young man! I met him and was taken in by his awesome smile and presents. To know that he was called home at such an early age caught me off guard. I’m hurting for his family and as you all try to get through this sudden loss, I want you all to know....he is in good company and that he is smiling over all of you! A candle that burns twice as bright burns twice as fast! Peace be with you all... Especially his sister Juliana ....much love and hugs!
