“Candi was only 7 or 8 years old when we met her. She was as sweet as a child as she was as an adult. Among our fondest family memories are trips to the snow from Goleta to the Frazier Park-Mt. Abel area. We traveled with Candi's sister Clyda and her family. There were 8 of us in our 2 families, plus we would stop in Ventura to pick up Candi. Somehow we all fit in our big stationwagon. Candi was always a special part of our good time! Our thoughts are with you all in her family. Love from all the Retzloffs.

“Candi was a great friend, we enjoyed quilting together, talking about flowers and our yards and especially being co-Grandmas to Samantha. I was blessed by her hospitality many times and always enjoyed being included. Our love for the Lord was another bond we shared and I look forward to seeing her again and praising God together! Prayers and love to Mark, Dawn, Michael, Clyda and families. Susan VanDerSys

“ I always think of Candi smiling and we know she is smiling down on her family from heaven right now! She was such a kind hearted person. I saw her most often when I was a little kid and every time I found out we were visiting Uncle Clyde I'd ask if Candi would be there. She was always so sweet even though I'm sure entertaining kids wasn't her priority as a teenager! All of Candi's family is in my thoughts and prayers now. Love, Nikki

“ Candi was one of the best ladies I have ever known. She had a big heart and always gave of herself, unconditionally and unselfishly. When the Burris family moved from York County, VA there was a void in my heart. She was truly a special friend and I will remember her always. My thoughts and prayers are with you, Mark, Dawn, Michael and your families.
