“ My heartfelt sympathy goes out to the family and friends at this time of sorrow. May all look forward to a time when all sicknesses, pain, suffering along with death will be no more. Revelation 21:4 This wonderful blessing along with so many more will take place during Christ’s Millennial rule. We will even be reunited with our loved ones who have passed away. “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out.” John 5:28,29

“ Carl & Kathy were long time friends of our family. We always enjoyed their company. Carl worked as you know at the Bellingham Herald in the Circulation Department & my husband, Dean worked in Classified & this is how all of us get acquainted. Our children played with their children. They were both such good folks. I still have pictures of the family. We extend our deepest sympathy.  
Warmest regards  
Margaret .
