“ Will always remember our many trips and visits to visit the cousins and Carol. I sure do miss those days.

“ Remember Carol from when she and Ken were living in Stanton shortly after the war. I think Ken worked at the Garrison Dam Project. Have good memories of her. Kent and I were able to visit with Carol at the nursing home in south Fernedale. It was the same summer that we were able to spend a little time with the Hendry cousins at Denney's. We had a very good visit with Carol. May she rest in God's care. May God Bless all of you. You're in my prayers.

“ Dear Lutz family, Please accept my deepest sympathy for the loss of your dear loved one. It seems no greater sadness is felt than when someone so dear to us is loss. May you find comfort in your memories and draw strength from a promise God has provided which gives the hope of someday being reunited with your beloved Carol (John 5:28,29). This promised future is one that will be filled with great joy because it will include perfect health and everlasting life on a paradise earth where “the former things have passed away” (Rev. 21:4, Psalms 37:29). May you during this most difficult time find some comfort in knowing that God does care and He does hear our cries. Please accept my most sincere condolences.

“ Carol moved to Bellingham shortly after Howard and I married ten years ago. She welcomed me into the family with open arms. We had many happy times together , I especially remember going over to her apartment on my lunch break and she would make up a sardine spread with crackers and pickles. She would always have tea and gingersnaps for afterward. I have really missed toughs lunch's since she moved to the nursing home. We had many laughs. Be at peace Carol we all love you!!!
