“ *My aunt was an amazing women, she gave so much love to each an every person in her life....wether old or new friends she put her all into her relationships....she was one person you knew you could count on, no matter the situation. Her job as an RN was her dream...I will never forget the look on her face when she explained what she did for a living....she worked hard at anything AN everything she did....our lives will never, ever be the same without her in them, but I know she is watching down on her beautiful children and grandchildren whom we're the light of her life.....rest easy auntie, your heart is again full with your mommy an the love of your life an soul mate uncle darrin....you may not be here physically but you will never be forgotten. The dale family.*
