“ You are a bright spirit who will be forever missed. Your smile and cheerful way always brightened up the day, and everything and everyone around you. Though I had gotten to know you only this past year? I know one true thing about you, my friend. You were a man who had great Heart. Great Love. It was an honor and privilege to know you.

Now you have won your wings. Be free, fly high, and be well on this new journey. And if you should happen to see my mother up there, please tell her hello for me?
