“ Rest In Peace my cousin. We had so much fun as kids, like the time I took my older brothers motorcycle (forgot to ask permission) and put you on the back of it....then crashed in a ditch. The brake went through your foot and I never forgave myself but you forgave me! I'm sorry we lost touch but I always held a special place for you❤️

“ I am so sad to hear of Cherie’s passing. I had not seen her in a long time but I remember what a beautiful,funny, sweet, spunky, no nonsense and loving person she was. I remember how she included me in her group of friends when I first started hanging out with them. One memory in particular was when Mark (Gary) and Gavin and the boys went fishing in Alaska and she invited me over to make a care package to send to them. We had such a blast! Then I remember when the boys got kicked off a flight back from Alaska for being too rowdy. She was so ticked off at them because we had driven all the way to SeaTac to get them! She was truly one of a kind and I wish I had the opportunity to spend time with her in more recent years.
RIP Cherie❤️
