“ *I'm so sorry for your loss. Losing a loved one in death is the hardest thing we have to deal with. Our loving Creator hates to see our pain in these times. His promise to us about seeing our loved ones again, here on the earth, is soon to come about. (John 5:28,29; Psalm 37:29) I hope this promise gives you much comfort in your time of grief and onward. My sincere condolences to the family*
