

## Christine Marie

September 26, 1946 - January 27, 2023

Let me begin by saying Christine was the absolute love of my life. I never felt so much love coming from anyone. She was a very strong, no-nonsense woman. We spent the best forty-five years any man could hope for together. She put me on a pedestal and I always felt her love. We were lovers, best friends, partners in everything (good or bad) and always had each other's back. If you were lucky enough to know her, you know she was kind, caring, and a little bit crazy, but in a good way. It's hard for me to imagine life without her because it was so much fun with her. I will miss her like crazy.

Rest in Peace my love,

-Stuie
