“ Chris, I haven't seen you in 19 years but I think of you and Rachel often! I was extremely saddened by the news of your passing! Your son looks almost just like you! And you look just like your dad in your manhood years lol! I wish we could've reconnected before you were gone! I would have loved to have heard your man voice lol! Even though you and Rachel were only in my life a short time, you'll always remain a fond memory! I hope you're at peace and watching over your family!! :-)

“ We all love you so much.. I hope you can see that. I miss your laughter and silly inappropriate jokes. Thank you for all the memories you left us with... We will take care of Drake and he will know all about his daddy and the wonderful love you had for him. We will never forget you. Rest now..
