“ *Journey to the land unknown, Where Lonnie has already made his home.*

*Where Christ is waiting, yes it's true,
in a place with angels just like you.*

*Breath deep and strong my friend;
each bubble I blow into the sky
is a floating kiss and loving goodbye
Letting you know, we will meet again,
Someday, I do not know when.*

*God's Blessing to my sweet Claudia,
one of my true friends!.*

“ *Claudia was such a warm and caring person. I was amazed at how much she did for her coworkers, the children on her cases and the community. She was always there with a smile on her face and could easily make a friend. My condolences to her family and many friends.*
