

Colton Lyle Brower

August 23, 2002 - January 31, 2026

Colten Lyle Brower will be remembered for his vibrant personality, his boundless energy, and his contagious laughter. Enthusiastic, caring, and charismatic, Colten had a presence that drew people in and made them feel seen. He was compassionate, daring, humorous, and truly unique — the kind of person who became the “hype man” everyone needed.

Colten loved sports of all kinds but snowboarding was his passion. He & his dad had been working on a joint social media adventure focused on snowboarding & fishing, Ride & Reel. He also loved playing golf, video games, music, and working out. Colten enjoyed working on his car, a Nissan 350Z, and spending time hanging out with friends.

Family was very important to Colten. We’re blessed to have countless memories of holidays, vacations, camping trips, & family bbq’s. Colten’s bond with his brothers was strong. Just like any young person, he ventured out into the adult world & when things didn’t work out the way he expected, he called his parents. If he needed solid advice or guidance, Wil was there to help him find his way. And if he stumbled and needed a soft place to land, he knew his mom, Patty, would always be there to catch him.

Colten attended Nooksack High School, where he was known for his strong personality and spirited energy. He played football and lacrosse throughout his childhood years.

Those who knew Colten will always remember his bright smile, his natural ability to make people laugh, and even his bold and memorable clothing

choices. Above all, they will remember how he made others feel — encouraged, uplifted, and valued.

Colten is survived by his father, William Brower; his mother, Patricia Clayton; his brothers, Brandyn Brower, Kevyn Brower, Teegan Brower, and LeTrez Jones; his grandparents Pam Clayton and Mary & Bernard Brower. He is also survived by numerous aunts, uncles, cousins, nieces & nephews, who will carry his memory forward.

He was preceded in death by his grandfather, Charles Clayton, and his uncle, Paul Ferrar.

Memorials may be made in care of Patricia Clayton.

Colten's spirit, passion for life, and infectious energy will never be forgotten.
