“ I got lucky enough to work with Dale Jones at the Four Points Hotels for 3 years he always had lots of stories to tell and I always enjoyed hearing him talk about all of his interests. I will miss this stubborn old man and will miss him dearly

“ This is such a sad loss to those that knew Dale and to those that liked local history. I was able to see some of Dale's presentations on the local railroad organs and his knowledge was unsurpassed. Dale was so quick witted and he never failed to make me laugh. I wish the best to his family and friends.
