

## Daniel Francis Gallery

March 26, 1930 - October 24, 2021

Our father was born in Waterloo, Iowa. He was the most loving, kind and generous father to his children, and he deeply loved his family and friends. He had six children with Sally Fox Gallery: Patrick, Thomas, Danny, Kevin, Elizabeth and Christian and grandchildren, Caitlin, Kelsey, Becca and Owen. His siblings are Jean, Marilyn, Norma, Nancy and Gary. He was a proud Marine and graduate of Hastings Law School in San Francisco and went on to successfully practice law as a sole practitioner in Sacramento, California for sixty years. His greatest joy and love in life were his children and family, practicing law, the YMCA, healthy food, guitar, reading history, and being Irish. He enjoyed many years with his partner Patricia Schink. Our father passed on in the loving care and arms of his children in Bellingham, Washington. Our father will be deeply missed and in the hearts of us all, until we meet again.
