

Darlene Marie Logan

July 26, 1941 - March 14, 2026

Darlene was the second of 5 children born to Anastasia Viola Currie (Vi) and Gene Currie. She was raised in Clarksburg, located in the upper peninsula of Michigan. Her mother was the oldest of 9 children, so she had a large family of cousins, aunts, uncles, who all lived near the family farm in North Dakota. Dar spent her summers on the farm and always remembered those times fondly.

Darlene went to school and became a lab technician. On break from school, she traveled to San Diego to discover herself, what she found was Dennis Logan. They married 2 years later. They were married for 62 years and made amazing memories. Home base started in Seattle, WA. As the family grew, they moved to Lynnwood, then Woodinville. Darlene raised 2 children of her own, then her younger sister-in-law came to live with us when she was just 13. Grandma Dar also helped raise her grandchildren. Having a full house with family and friends seemed to make her the happiest.

After retirement, They fulfilled their dream of living on a boat. Then they made their home wherever the waves took them, but mostly Lake Union. Later in life, they moved to Bellingham, where Denni still lives.

Dar passed away peacefully in her sleep after a long struggle with Alzheimer's disease. Her family was there to hold her hand as she went to heaven.

Darlene leaves behind her husband of 62 years, Dennis Logan. The sister-in-law she raised, Misty Hammontree . Her oldest, Stephanie Logan, and her baby, Ron Logan. She is survived by 4 grandchildren, Anastasia Logan,

Dustin Ross, Teigan Logan, and Lily Logan. And her great-grandchildren, Kamryn Reynolds, Benjamin Logan, Eden Logan, as well as extended family in Michigan and North Dakota. Dar was preceded in death by her grandson, Toby Martin, Misty's son.
