“ To the family and friends of Davida. I wanted to express my condolences for the loss of such an extraordinary woman. It sounds like she lived quite the life and the loss of her must feel considerable. As a fellow bible reader I wanted to share one of my favorite comforting scriptures at times like this. Isaiah 25:8 gives us a promise from Jehovah about death. I hope you can take a moment to look it up in your own copy and it gives you comfort as well. If you want additional encouragement please go to www.jw.org. Kind thoughts,
Ali
