“ Lisa and Wanda I am sorry to see the passing of your Dad. He and I became a couple during my senior year of high school and remained friends for years. I became like a member of the family and knew Frank even before I met your Dad. I loved your Grandma Lilly we were good friends until her death and Mayo was such a great guy. My sympathy goes out to you girls and your family. May your Dad find peace and rest now that his illness is no more
