

Donna Jean Dobesh

September 28, 1935 - July 17, 2022

Donna Jean Dobesh (Craig) passed away on July 17, 2022, peacefully in her home in Lynden, WA at the age of 86.

The youngest of 8 siblings, she was born September 28, 1935, in Lincoln, Nebraska to George and Jessie Craig. Donna was a sweet, kind, and caring person, with a bright light of positivity shown through in her vibrant lipstick color choices. She loved to read, visit with her friends, and look after her pet cat. On Fridays, she would enjoy fish and chips, and she would always find time to cheer for her favorite team, the Seattle Seahawks.

Donna was a beacon of kindness for others around her. She was very friendly to all people and could easily strike up a conversation with strangers or friends alike. She dedicated her time to finding ways to help others. And with an open heart, she loved others unconditionally.

Donna is survived by her three children, Debra Overcash, Dean Auve and his

wife Crystal, and Karen Metz with her husband Tim, as well as 4 Grandchildren, 5 Great-Grandchildren, and many nieces and nephews.

A private family gathering was held to celebrate the life of Donna Dobesh.
