“ Words can't express what Donna has meant to us. A true example in every way. She lived each day well, and pleasing to our Father. I treasure all the privileges and times I had to be with her. Our visits were rich. She will be deeply missed, but she has the Best now. Just thankful and grateful to have had the privilege of knowing her.

“ Daryl and Dixie,  
I just want you to know that I am thinking of you during your loss of Donna Rae. Our parents knew each other well in those 'good old days' and I remember going to your house when our parents would visit. Sending love to all of you.
