October 1, 1959 - July 18, 2023

Donna Lee Vickers, age 63, passed away on July 18th, 2023 in Blaine WA. She was born in Okinawa Japan to parents Aiko and James Buchanan on October 1st, 1959.

Her father was in the Navy, so Donna lived many places growing up, Alaska, Georgia, California and eventually Washington. Donna went to High School in Oak Harbor, where she met her high school sweetheart Donnie. They had two children together, Kari and Katrina. Later, when she was 31, she met and fell in love with Kelly Eidemiller, and 5 years later they later had their daughter Kalia. Donna and Kelly just last year celebrated their 30th anniversary with a wedding ceremony and they were happily together until Donna passed.

Donna is survived by her partner Kelly Eidemiller, and three daughters Kari Witzel, Katrina Noble(Ken), and Kaila Eidemiller. She will also be missed by her two grandchildren Brodie Noble and Violet Eidemiller.

When you ask her loved ones what favorite memories they have of Donna, they will tell you there were too many to count. She loved to casino hop, and spend time with her grandchildren, anytime she was around was a favorite memory.

Donna always put her family before anything else, known to say, "Family first,

whatever it takes.” Donna had a great sense of humor, she was smart, strong, resilient, stubborn, and loving. She will be dearly missed.
