“ Dorothy you were the most wonderful aunt, like a second mother. I will never forget the times as a child growing up and you were always there to listen and care. We will all miss you and pray that you are at peace. Love you Donny And Lori.

“ Dear Dorothy, I will miss seeing your place all decorated so nicely for each holiday and I will miss the greeting cards and homemade treats you shared with me. I will miss snickering with you at the funny, foolish people on “Judge Judy”. I am so happy you spent your last moments surrounded by people who loved you. You are with your dear Noble and your parents now. This place just won't be the same without you. My sympathies are with your family and close friends, whom you spoke of so often. I share their sorrow in saying goodbye. Love, Laurie
