“*Doug, Where to begin. This is hard and I think of you more than ever. I wish our relationship would grown, but you will always be in my heart. I thank you for coming into my dreams letting me know that you are okay. No need to be sorry, you are okay and we are all okay as well. We meet again some day. Miss you so much my dear friend. Love you*

“*My good friend and now a known cousin. I too will miss our long talks about family and our dual cultures. You didn't answer my email. A Hui hou my dear cousin, you can e-mail me later when you're settled in with the ancestors. I really miss you, not because we spoke every day, but because of what we spoke about. I hope you're looking down on me and that you know I am still helping our cousins find family.*
