“ Oh my long time friend since I arrived in Whatcom county how I will miss your earthly presence. Im sorry I did not get to see you after my brain surgery but I was out of it. I came by but it was too late oh what I wish in my grief. You were a great and kind man to me and my daughter when we came to Whatcom county 3 plus decades ago. Oh how time has come and gone. Im glad I visited you before my surgery. You gave all to all who knew you goodbye my friend. Love always and forever Colleen
