“ *I was fortunate to have been married Doyle's daughter, Brenda for 91/2 years. She was wonderful in so many ways and introduced me to Doyle. I was not sure if Doyle approved at first, but time showed me the depth of Doyle's love for myself, his family and friends. I knew that I reminded both Doyle & Roberta of the pain of a lost child, Brenda, whenever they saw me, but I never stopped loving the entire family and still miss them. Doyle was stoic when his daughter was in the dying process and shared his strength with anyone who needed it. It will be difficult to accept that he has gone to meet up with his daughter Brenda. I owe most of my success in the knowledge Doyle instilled and for that I am eternally grateful. Perhaps when I join Doyle and Brenda in the future we can catch up, I would like that. Love to you and your family.*
