“ *Cedric and family,  
I just heard about your mom today. I am so sorry for your loss. She was a very kind lady, she always made Nicole and I feel special to her. So glad that she moved close to you and had the opportunity to spend more time with her family. You and your family are in my thoughts.  
Wishing you peace during this difficult time.

“ *Dear Cedric, Barbara, Danielle and Audrey (but especially Cedric); Edmee led a glorious life and was so proud of you and loved you all so much. She was fortunate to live close by near the end of her life and you were able to spend time with her. The girls got to know her and she saw them grow up. You made some good memories together! This is what remains. And every day is precious – we’ve all learned that this year. Love, Regina*
