“ Sorry for Elinor’s family loss. I remember Elinor’s smile ! She always had a cheerful disposition and was a very kind person. My family got acquainted with the Sims family when we lived around the corner from them. we lived on van Wyke rd and they lived on the hannegan.we were young but I never forgot he kindness. My brother Frank Worland was a buddy of the Sim boys when they were quite young. We ended up moving down the street from Elinor’s sister Elaina and my mother would occasionally run into her and kept updated through her sister.
