“ Dear Shelly,

*I was just planning a trip to Mendocino, where I know you once lived. I wondered if you and Elinor were still there and if I might visit. I am so sorry to learn that Elinor has passed. I have many wonderful memories of visiting the two of you and Elke, too, when you were living on the land near Ukiah. You both provided such a sacred space for me. And Elinor had so much kindness—what a beautiful heart! I am sorry for your loss. You are in my thoughts and my heart.*
