“ Hoot, my sincere condolences at the passing of your mom. From the 1st day I met Ella and throughout the five years I spent with your family, your mom was gracious, warm, interested and engaged in the world around her. A beautiful women inside and out. As I have come to understand since the passing of my dad Gene, memories are the guide that helps you maneuver this new path. My thoughts are with you Hoot, and your brothers. May all your memories and those others share with you, help you through this time of sadness. Ella was quite the gal, remember her well. c

“ I send my love to you all for the loss of your Mother. I always had great admiration for Ella, my Mother's oldest sister. For so many years I heard stories about Ella from both my Mom & Dad and I was very happy that Ida and Ella became friends again before my Mom passed. What a Spitfire Ella was. I wish you peace, Ella, and to your family I send my love...Wish we didn't grow up so far apart! Your cousin, Virginia1411

“ Dear Dan and Family, I was sorry to hear of your loss of your mother. We had the privilege of meeting Ella at our nursery many years ago. She was always a pleasant person to visit with while she was here and we loved her sharing her stories and we shared ours with her. Ella was always so grateful for our assistance in her gardening endeavors. We know she will be resting in Peace and dabbling in the gardens of Heaven! Caring thoughts are with you during this time of loss. Kindly, Larry & Toni Clark
