“ *Helen and family at this time there are no words except I'm so sorry for your loss. Jim & Ed can sit up there and talk about when they worked together and have a beer or 2*

“ *Dear Helen and family, Erhard will live on in the hearts of those who loved him. He is not gone, he has only changed the room. I think about you Helen and Erhard. Love, Nadine*
Death is nothing at all: I slid just over in the next room. I am I and you are you. Why should I be out of mind, just because I am out of sight? Whatever we were to each other also, we are even now. Play, smile, think of me. Life means all that even now, What it also means otherwise. It has not changed, I'm waiting for you, somewhere very close to you. All is well.
