

## Ethel Brethauer

September 19, 1926 - June 9, 2015

Ethel was a kind, caring, gentle and loving Mother and Grandmother.

She enjoyed many hobbies including

quilting, knitting and many other

needlecrafts. While at Washington Oaks Retirement Community in

Everett, WA she participated in AOK which raised money for the woman and children's shelter, veterans association, animal shelters and many other

charities.

She was married to her husband for 68 years and missed him everyday. Now they are side by side once again. She met him quietly in her sleep.

She is survived by her sister Irene in California, her sons Bruce (wife

Cookie), and Gregg, four

grandchildren, Drs. Tom (wife Anita), Randy (wife Becky), Kimberly (Thadd), and Ken (wife Erin) and three great grandchildren, Malachi, Griffin and

Carson.

She touched many hearts and will be missed by everyone she knew and especially by her family.

The family asks any remembrances be gifted to Providence Hospice, Everett, WA or charity of choice.
