“ Our condolences to the family. So very sorry to hear of Ethel's passing. May your wonderful memories of her help you through this difficult time. We often would see her and Ray out and about. One of my many memories were of her and my mom walking together every day around Semiahmoo. Boy were they in good shape! Just know she's in a beautiful place with her family who left before her and she is no longer in pain.
Our Love and Prayers are with you.

“ Our condolences to Ray, Katrina, and family on the loss of Ethel. We were saddened to read of Ethel's passing. At the same time, it invoked many fond memories of working and visiting with Ethel and Ray. It was always fun to run into Ray and Ethel at the Ferndale Bakery when it was still around. Ethel was always a positive light and brought cheer to the day.
Kindly,

“ I was so sorry to hear about Ethel. She was a sweet and wonderful lady. I have many nice memories of her, one of them being when Mom would do sewing or decorate a cake for her. The wonderful memories you have will help a lot right now. Hugs, Wilda
