“ Aunt Elsie & family, Thinking of you all today and praying for you as you share memories and celebrate the life of your husband/dad at the service today. I have precious memories of Uncle Gene as well, he was a very special brother to my dad as they shared a strong faith in God, similar political views and an infectious laugh! Praying God will comfort you all. Love from Dave & Marjorie

“ Aunt Elsie and family,
Our prayers are with you as you mourn the loss of your husband and father. Although we expect and know this will happen at some point, it doesn't fill the void that will inevitably be left behind. I have good memories of visiting you and uncle Gene, and will always remember his friendly demeanor and infectious laugh. God's blessings to you.
