“ When someone you and the family loves dies there is a lot of pain. You and the family can get comfort in the bible. God will wipe away mankind’s tears, pain, sorrow and death will be no more. (Revelation 21:4,5) The one so loved by you and the family will be brought back to life here on earth to live forever. (Acts 24:15; Psalm 115:16; 37:11,29) God will do this by means of the Kingdom in the Lord’s Prayer Thy Kingdom come thy will be done on earth as in heaven. (Matthew 6:9,10) God is there to pull you and your family through this by giving comfort taking you and the family by hand. (2 Corinthians 1:3,4; Isaiah 41:10) I love to give comfort here’s my email

“ I was thinking of Gabette these last few months hoping to reach her to see how she was doing. I had selfishly thought she would make a great caregiver. I am sad now to have delayed my calling, and in doing a further search finally again, find that she has passed from this life. But I am glad for her, to know she is doing quite well now. She was a feminine, Godly, submissive servant as a wife from what I could tell. She loved the Lord and admonished women toward full surrender to His will.
Love,
Jeanette
