“ Hi Ann, Thank you for your condolences for my dads passing. My dad had fond memories of his time with his cousins also. I will share this with my mother. We miss him so much. ❤️

“ My condolences to you Diane and the kids. Although I didn't see you all very much in later years I have fond memories of my older cousin Gary when I was a kid. I have never forgotten that you let me help unwrap your wedding gifts and my time as Deven's babysitter. My parents were really fond of Gary, too. The nicest guy! So sorry for your loss, love to you all. — Ann

“ Gary was one of the the most thoughtful and sincere persons. As an example, years after Grandpa passed, he remembered I love fishing and gave me an old wooden tackle box Grandpa used. I always remember the great conversations with him about his fishing experiences. He will be sincerely missed.
