

Gavin Christevan Haymaker

November 7, 1990 - April 13, 2018

Gavin Christevan Haymaker, age 27, passed away the morning of Friday April 13, 2018, and took with him a piece of all our hearts.

Gavin shared a passion for reading and watching movies with his mom, Carol Haymaker. With his brother Thomas Haymaker, he shared a passion for fishing and hunting. Gavin's sister-in-law Jessica Haymaker was Gavin's favorite artist; he loved her and was so proud. All of us share Gavin's passion for the Seahawks.

Gavin loved his fiancée Jennifer Cloud, with whom he shared a passion for camping and beach combing with their son Axton Haymaker.

The center of Gavin's universe were his surviving children, Axton, age 4, and Cassandra Haymaker, age 8. His love for them radiated and touched all of us who knew him.

A private service will be held on Saturday April 21, 2018. For specific details, please contact Gavin's mother, Carol Haymaker, via Facebook.

In lieu of flower arrangements, we ask that you bring a single flower to place in his casket. If you have a picture of someone who cannot attend, you may place their photo in the casket, as well. Love letters are also welcome!

Join us in showing Gavin how much he was loved!

“ *I think about Gavin so very often and it saddens me beyond comprehension. I knew Gavin as a customer in retail and he was such a polite and pleasant guy! The world lost a genuinely kind and wonderful guy! I don't see myself ever forgetting him! Love to his Mom and family!*
