Let Me Go by Anonymous

We've known lots of pleasure, At time endured pain, We've lived in sunshine, and walked in rain.

But now we're separated and for a time apart, but I am not alone – You're forever in my heart.

Death always seems so sudden, and it is always sure, but what is oft' forgotten – it is not without a cure.

There may be times you miss me, I sort of hope you do, but smile when you think of me, for I'll be waiting for you.

Now there's many things for you to do, and lots of ways to grow, so get busy, be happy and live our life, miss, but let me go.
