“ I know Kenny from working at TRCC in Monroe. He was a good friend, always had a story to tell and loved to laugh. He is a great man and will be missed by all of us that knew him as our miracle worker in the carpenter shop. RIP Kenny.

“ Chrismans, we were so sorry to hear about Ken's death. What an example he was of a husband, father, grandfather, and friend. We always enjoyed his company...from field to field to field!! We will be at the memorial. Try to take care...it's a hard time of year.
